Race Management Team duties are outlined on the club notice board. Five members will be required to cover the duty roster. Duties include operating the safety boats, setting up and operating the canteen until the briefing has finished, ramp assistance and to be responsible for running the timing box. It is a requirement that two duty delegates will clean and close the clubhouse at the end of the days sailing.

All members rostered on duty are credited with entering races sailed on that day but **must** record their names on the sign on/off sheet.

If you are unable to do your rostered day, please notify the RO and arrange a swap with another member.

If you need to initiate a swap with another member, allow yourself plenty of time to do so.

Please notify the Sailing Committee with the details of any changes arranged.

As a very last resort, contact a member of the Sailing Committee to help you organize a swap with another member.

Members failing to fulfil their duties and/or choosing to sail on their rostered day will receive a NON-EXCLUDABLE DISQUALIFICATION for those race/races.

Club Races and Series Results

Races will be handicapped, and series will be scored as set out in the table opposite.

Club Championship will be determined using the results from ALL club championship races as indicated in the club calendar. Club Championship will be scored using ASY. Spring Club Championship will be determined using the results of those races identified as Club Championship completed prior to Christmas. Spring Club Championship will be scored using ASY.
